

Manual Processing Application

Do you have too many photos to upload or are you simply a non-tekkie ?

Just print this form and send it together with your MEDIA (memory card , disk etc.) & leave the rest to us.

If you do not have a sturdy package, just place a stiff piece of cardboard inside an ordinary envelope along with your MEDIA to help protect it in transit.

Write **FREEPOST PRINT FOTOS** on the envelope & pop it in the post - no stamp required.
